

**COMMUNITY COLLEGE OF RHODE ISLAND**  
**INTRODUCTION TO VISUAL BASIC PROGRAMMING**

**COMI 1520**

**Syllabus**

**Professor Basilio**

Phone:825-2199

email: [abasilico@ccri.edu](mailto:abasilico@ccri.edu)

Office: Knight Campus room 2166

Web page: <http://faculty.ccri.edu/abasilico/abasilico.htm>

**PREREQUISITE**

Knowledge of Windows-Visual Basic is the programming language of Windows.

**TEXT/MATERIALS**

Text: Clearly Visual Basic Programming with Microsoft Visual Basic 2008

Author Diane Zak

Software: Any version of Microsoft Visual Studio.Net 2008

Visual Basic Express 2008 set is bundled with the book.

USB Drive for classroom students.

**COURSE DESIGN**

The course is broken down into 15 classes.

**HOMEWORK/ASSIGNMENTS**

Assignments are to be submitted on assigned date. After due date a 30% late charge will be assessed. After two weeks from the due date, the assignment will not be accepted. If an assignment is graded under 70%, you can resubmit the assignment with the corrections and receive a late charge.

## **EXAMINATIONS**

There are three-chapter examinations and a written final examination. The first examination covers Chapters 1 through 8, the second examination covers Chapters 9 through 16, and the third examination covers 17 through 26. The final examination will cover all the material presented in the course.

## **GRADING:**

Assignments 40% -Three hour examinations 10% each - WebCT's Chapter Tests 10% -Final examination 20%

## **OTHER**

Students are expected to keep up with course material.

**You must do your own work.**

Any student who misses an exam will be able to make up the exam within one week of the date the student returns to class. If the student **did not give prior notice before the exam**, the grade on a make-up exam will be reduced by 20%.

I reserve the right to raise or lower grades based on subjective values such as attitude, class participation, preparation, understanding of material, etc. This syllabus may change.

Thank you,

Professor Basilico
